New Jersey Ride Against AIDS  
PO Box 127  
Bradley Beach, NJ 07720

Dear Ms. Pat Sherman,

On behalf of the Board of Directors, staff and clients we serve, I would like to personally extend my most sincere thank you to you, all the ride organizers, and riders for supporting Access One, Inc. We are truly grateful for your recent donation of \$6,600.00. Your continued generosity and dedication to Access One is deeply appreciated.

It has been an honor for Access One to be involved in the New Jersey Ride Against AIDS. As a former rider and now devoted crew member the memories and experiences I have gained over the past six years are monumental. The dedication and hard work of everyone involved in organizing this amazing event is a true inspiration.

Your efforts are appreciated and will help support Access One's services and programs. Access One is honored to be one of the several beneficiaries who have united to fight the war against AIDS. We are looking forward to further developing our programs in an effort to continue supporting People Living with HIV/AIDS in the Atlantic, Cape May and Cumberland County areas. Once again, we thank you for your continued support and faith in our organization and mission.

Yours truly,
