Pat Sherman
Executive Director
New Jersey Ride Against AIDS
P.O. Box 127
Bradley Beach, NJ 07720

Dear Pat:

Is there any more loving and accepting "family" of friends than that gathered together by the New Jersey Ride Against AIDS? None that I have found. We are simply humbled by your kindness, the kindness and caring of all of the organizers and riders and sponsors of the New Jersey Ride Against AIDS who year after year do the hard work of reaching financial goals that make service to those living with HIV/AIDS possible.

The trustees and staff of Broadway House for Continuing Care join me in thanking you and all of the organizers and riders of the 2008 New Jersey Ride Against AIDS event. The \$6,600 donation your organization has made to Broadway House represents a true vote of confidence in our services to persons living with HIV/AIDS and we deeply appreciate it.

We thank you and all of your colleagues for your generous gift of time, effort, and funding. The fact that your donation is totally unrestricted makes it worth a great deal to us. We can do things for our residents with your donation that would not fit within the conditions of our grants.

The success of an event like the New Jersey Ride Against AIDS comes straight from the hearts of everyone involved – you and your volunteer board and workers, your riders and their sponsors, the corporations and organizations that donate to your work. Your achievements are extraordinary, from the extravagant goal of your 250 mile bicycle ride to the 100% pass-through donation to charities which you have maintained. Broadway House feels honored to be counted among your beneficiaries.

Sincerely,

Jeanine M. Reilly, RNC, LNHA
