Dear Pat,

On behalf of the Board of Directors, staff and teens of HiTOPS, I want to thank you for your generous donation of \$6,600.00.

We are delighted to know that you share our vision of a world where youth have the resources they need to live healthy, responsible lives. We are deeply grateful for your support of our vital mission to promote adolescent health and well-being. Your gift makes it possible for HiTOPS to continue providing clinical and support services for adolescents, and educational programs for adolescents, educators, and parents.

Your money is going towards the very important work that HiTOPS does. We have been expanding the reach of our parent programs to include workshops in homes. We are reaching more students and educators than ever before in our school programs and we are serving an increasing and more diverse number of clients in the health center. We just completed a strategic plan that will help HiTOPS to succeed and grow over the next three years.

HiTOPS is dedicated to excellence - to being the best resource possible for our community, even as we expand to all areas of New Jersey. As we embark on the next twenty years of HiTOPS, we hope you will continue to be a part of our exciting work!

Thanks to your support, HiTOPS is able to provide services and information central to the health of young people. You are very much appreciated.

Sincerely,

Elizabeth
