

January 7, 2009

Dear Pat and NJ Ride against AIDS:

On behalf of Jersey Shore University Medical Center, Pediatric/Family HIV Program, I would like to thank you for your generous donation. Your commitment to helping these children and families in our community is sincerely appreciated.

Each year the number of children and families in need continues to grow. It is through your donations that we have the ability to help these families with uncover expenses and immediate needs. As a result, we have seen many lives changed for the better.

One of our goals is to continue to make a difference in the lives of these children and families who are living with chronic and life threatening illnesses. With the help of donations from supporters such as you we will continue to see improvements in their quality of life.

Thanks again for your generous support of our efforts.

Best wishes to you and your family for a happy and healthy 2009,

A handwritten signature in black ink that reads 'Kimberly Connolly'.

Kimberly Connolly, LCSW
